# TOURNAMENT FORMAT AND EXTRAS

## □ **Format:**

- f* 4-person scramble - Each player tees off with their own ball. After all players have hit, the team will select one of the four tee shots and all players will hit their second shot from within one club-length of that placement. You may not move from one playing surface to another, for example: rough to fairway. Play progresses in this same manner until the ball is holed out.
- f* Each player must use a minimum of three drives over the 18 holes. Keep track of player's drives used on your scorecard.
- f* On the green, all players putt by placing their ball within 6 inches of the selected ball (usually the shortest putt), but no closer to the hole. First ball in counts, please don't putt out the rest of the balls.
- f* Record the team score (per hole) on the scorecard.

## □ **Extras:**

KP (Closest to pin) – There will be KP prizes awarded on selected holes.

Longest Putt- There will be a Longest Putt prizes on a selected hole.

Longest Drive – There will be a Longest Drive prize on a selected hole. Drives must be in the fairway to count.

String Game – String may be purchased for \$20.00/each and may be used on the green in lieu of a putt. For example, if a team has a 1-foot putt as their last shot for a hole, they may choose to cut 1-foot off of their remaining length of string (scissors will be provided) and not count that stroke on their scorecard. The 1-foot of string that was used must be disposed of (it cannot be used again on another hole). String Game does not apply to the Longest Putt hole.

Mulligans – **the first two** can be purchased for \$10.00/each and may be used when a do-over is needed. Golfers may purchase additional Mulligans for \$20 each.
